PROGRAM DESCRIPCION

DAY 1. We will meet from the international or local flight at Quito airport and transfer-in to the hotel in Quito.

Meals: /-/

DAY 2. Transfer-out from the hotel to the airport. Airport assistance for a 30 minutes flight from Quito to COCA over the eastern Andes which will take you to the jungle village of COCA. Welcome by the staff and transfer to the Francisco de Orellana port which is only 5 minutes away by land transportation; once in the port you will start this adventure on a motorized canoe downstream the Napo River; after 2 hours ride along the Napo, you will arrive at NAPO WILDLIFE CENTER.

Meals: B/BL/D

DAY 3. Adventure begins early in the morning. Visit to the PARROT CLAY LICK which is of easy access from the lodge. It is a real spectacle of colors, about 11 species of bird such as parrots, macaws and parakeets visit the clay licks every day to feed with the minerals that are concentrated in the soil. In the afternoon visit the KICHWA AÑANGU COMMUNITY for an interaction with them.

Meals: B/L/D

DAY 4. Depart to the Canopy Observation Tower, a high platform from which you will get the most amazing view of the rain forest. The tower is about 30 minutes from the lodge within the *terra firme* forest. In the afternoon, we will go deep into a *terra firme* trail to discover the beautiful and mysterious wildlife that hides in the forest interior. Great possibilities to see lizards, different species of monkeys such as the endemic Golden Mantle Tamarin monkey, rare and unique insects, and even some scary snakes. We will explore the black water Añangu Lake and streams that are home of different species of fish and mammals such as the Giant Otter, unique specie from the AMAZON.

Meals: B/L/D

DAY 5. Last day, we will depart after an early breakfast to go back to COCA city and take the flight to QUITO.

Notice: For security reasons, swimming into AÑANGUCOCHA LAGOON is forbidden.
